

# GSoC2012

## GSoC 2012 Ideas

- Hama Core
  - e.g., Interface designing, implement Fault Tolerant system, ..., etc.
- Hama YARN
  - e.g., Evaluations (dedicated cluster vs YARN), Improvements, examples, ..., etc.
- Hama Applications
  - Network Science
    - e.g., Information flow analysis in a network of a massive number of nodes, Clustering, Link prediction, ..., etc.
  - Mathematics
