HTTPD+TS+Hackathon

What

A chance to get together and spend time working on the projects. Finishing 2.4, cross-pollinating with other developers, polishing up Traffic Server - this is what you make of it!

When

January 25th & 26th

Where

Google, Mountain View, CA

Who

Contributors to the HTTPD and Traffic Server projects

Please add your name below if you're planning to attend!
