Birds Of A Feather Sessions (BOFs) in Atlanta

Lead or attend a Bird-of-a-Feather session (BoF). Meet with other Apache users and developers. The BoF sessions at ApacheCon are very informal gatherings of persons interested in a particular topic. Don't miss these special evening activities designed to maximize the value of your time at the conference.

BOF proposers: NOTE: the preliminary onsite posters are already being printed with the 20:30 schedule of Wed and Thurs BOFs, so please don't move them without contacting the planners. Feel free to propose BOFs for the remaining open slots, or add comments to BOFs.
