I would like to make an inventory of all Dutch Cocoon users (cq developers). Please add your name above if you are interested in participating in a Dutch Cocoon user group. Don't forget to add your emailaddress as well, or send it to me by mail (cocoon-users at hippo nl) so I can keep everyone posted!

[Hippo](#) will be happy to organize a first 'borrel' in Amsterdam. For more face-to-face meetings, see below.
