

Mfonsen

Mika Fonsén (Mika Fonsen)

See my homepage [Mika Fonsén](#) for more information.

Some wiki-docs I've contributed to:

- [Modules](#) - an overview for beginners on different types of modules
- [SendingEmail](#) - a quick how-to on encoding JavaMail email below the original document

Some emails on the Cocoon users list:

- [solution: performance and use-persistent-cache](#)
- [Search for more](#) (not quite accurate)
