Just an introduction. I'm new to Cocoon, but old to XML. You'll be seeing me around, as my latest employ requires my knowledge of Cocoon to grow.

A little about me.

My Website - [KBCafe.com](http://KBCafe.com).

My Blog - [iBLOGthere4iM](http://iBLOGthere4iM).

My Employer - Tidewater (sorry just started this company, no URL).

My Consulting Company - [Rapid Spiral Development Inc.](http://RapidSpiralDevelopmentInc).

I am also a founder and director of [Dude Research](http://DudeResearch), the inventors of [Dude Check This Out](http://DudeCheckThisOut).
