

ReleaseTests218

Tests for Cocoon Release 2.1.8

In the table below please add any tests that you have completed for this Cocoon version, even if it is after the release. If a test failed please put the Jira issue number into the cell. If it passed for you put "pass" in the cell, unless there is already an issue number. Please add columns as needed.

JVM	Jetty Linux	Jetty Windows	Jetty MacOS	Tomcat 5.5.12 Linux	Tomcat 5.5.12 Windows	Tomcat 4.1 Linux	Tomcat 4.1 Windows
1.3		Portal does not work, OJB fails because of missing jdbc classes					
1.4.2_08	Portal pass	Portal pass					
1.4.2-38			rev 329128: htmlunit-tests ok junit-tests: 1668,1669				
1.5.0_05							

(aaaaaargh this table editing stuff is AWFUL 😞)
