

# TonyCollensNotes

Here are my notes to myself. I'll occasionally jot things down here instead of on [my blog](#) since it probably doesn't deserve a whole blog posting.

## Random Ideas

- Cocoon Shop Manual - Just what it says, written in Docbook, stored in CVS somewhere, high-quality & actively maintained
- Get a bunch of people together with copious free time and implement a non-trivial app in Cocoon, documenting the process along the way

## Old-TODO

- Intermediate Flow Docs
- Scheduler Howto
