This site is a community wiki and the entire Excalibur community is invited to help maintain it. Feel free to change any part of this site if you think it improves things. In particular, we'd very much appreciate it if you help document the answers to questions asked on the mailing list on the <a href="#">Frequently Asked Questions</a> page. Notifications of all changes you make will be sent to the <a href="#">excalibur scm mailing list</a>, so we'll be aware of your changes and we'll happily correct any small mistakes you may make!</i></p>
