BoF Topics

I (Hen) have no clue how BoF's work, so I'll just pretend it's how I think they should work. Below is a list of BoF topics, feel free to add more. Each BoF has a list of Speakers (that is people who have something they want to bring to the BoF on the subject. Also listed is a Chair, if anyone would like to volunteer, which is somebody to organize the BoF and keep throats unbloodied etc. ??? marks indicate a volunteer is desired. (Torsten: usually it's quite informal. Don't think we really need a Speaker/Chair combi ...only a few things to talk about 😊)
