Integrating the FCKeditor with Lenya 2.0

See [HowToIntegrateFCKEditor](#) for installing the FCK Editor in Lenya 1.2 and a lot of other info.

Installation Instructions

1. Download the FCKeditor 2.4.x from <http://www.fckeditor.net/download/default.html> (FCKeditor_2.4.x.zip or FCKeditor_2.4.x.tar.gz). Extract the archive. It will install a subfolder called "fckeditor". Copy this folder to lenya-2.0.x/src/modules/fckeditor/resources/
2. Build lenya and go to <http://localhost:8888/default/authoring/index.html?&lenya.usecase=edit.fckeditor>
3. To add the editor into your menu, add `<module name="fckeditor"/>` to your publication.xconf
