BoardReports July2013

```
Apache Rave is a widgets-based, web-and-social mashup platform.

ISSUES
There are no issues requiring the board's attention.

COMMUNITY
The Apache BarCamp was held in Boston and members of the Rave & Shindig communities discussed the futures of
each project.
The users and development lists have seen new faces and an increase in general discussion.

COMMITTER/PMC CHANGES
None this reporting period.  Last committer:
03/25/13 - Erin Noe-Payne was added as a new committer & PMC member.

RELEASES
05/15/13 - 0.21.1 released.

ACTIVITY
The team has been focusing on delivering a simpler UI & server integration model with both existing and new
members of the community.  The most recent branch is ready for reintegration and release before the next
reporting period.
