

BoardReports July2015

Apache Rave is a widgets-based, web-and-social mashup platform.

ISSUES

Low community activity.

COMMUNITY

Unfortunately the slight rally in community has not been sustained throughout the quarter.

COMMITTER/PMC CHANGES

08/29/13 - Dan Gornstein was added as a new committer & PMC member.

RELEASES

01/07/14 - 0.23 released.

ACTIVITY

The last 3 months have been extremely quiet in terms of list and development activity. We are going to make one last call to the developer and users lists before recommending the attic within the next quarter.
