No issues at present.

Community

Last new committer: Luis Bernardo on 10/10/12

Last new PMC member: Luis Bernardo on 04/03/13

The PMC discussed the possibility of a Chair rotation, but the PMC indicated it's preference to keep the current chair for now.

XML GRAPHICS COMMONS

1 bug fix committed to SVN, and a copy of markdown docs added.

There were no releases this quarter.

The latest release is 1.5 (20 October 2012)

FOP

User mailing list has several questions posted and answered each week. Some new bugs logged and several patches have been submitted and processed. 19 separate commits in total to SVN. Significant new features of note in this quarter are; Patch submitted by Robert Meyer to add support for OTF CFF Fonts, and new code added in a branch which removes the dependence on AWT Fonts when rendering SVG, developed by Vincent Hennebert and Peter Hancock.

There were no releases this quarter

The latest release is 1.1 (20 October 2012)

BATIK

Mailing list activity was very light. A few bugs have been reported by users and a couple of patches submitted. The only commit to SVN was made a PMC member, adding a copy of the markdown docs.

There were no releases this quarter.

The latest version is 1.7 (6 January 2008)
