XML GRAPHICS COMMONS

36 commits to SVN this quarter. 35 of which were documentation related changes. Only 1 actual code change was made to resolve a bug. However, Matthias, one of the committers did develop a patch for the performance of processing PNG Images.

The latest release is 2.0.1 (3 June 2015)

FOP

11 separate commits to SVN. The implementation of PCL Soft Fonts and TTF Fonts in AFP were completed, along with 5 or 6 bug fixes. The FOP User list has a slow but steady stream of questions being raised and answered; 73 e-mails in total, down from 103 in the last quarter.

The latest release is 2.0 (3 June 2015)

BATIK

No commits to SVN. Very little activity on the user list also, only 10 messages to the user mailing list

The latest version is 1.8 (17 March 2015)
