Website Structure

The Lucene Java website exists on people.apache.org and has the following structure:

/www/lucene.apache.org/java/docs contains the live site.
/www/lucene.apache.org/java/<release number> contains the docs (including Javadocs for that release. Periods are replaced by _) For example, the 1.4.3 release docs are at:
/www/lucene.apache.org/java/1_4_3
