

# DbFileSleepBug

## Bayes seems to sleep sometimes

As discussed in [http://bugzilla.spamassassin.org/show\\_bug.cgi?id=3048](http://bugzilla.spamassassin.org/show_bug.cgi?id=3048) , libdb version 4.1.25, at least, seems to have a bug that will cause it to sleep for 1 second under heavy load.

Upgrading to libdb 4.2.52 seemed to make this delay go away.
