Hello, the page www.mobbing-gegner.de shows activism all around the issue \"mobbing at workplace\", while european law (e.g. directive 89/391/ewg) is a very important point of view. Mobbing-Gegner now would like you to ask for linking the adress <http://mobbing-gegner.de/> on your page. Mobbing-Gegner is a non \"profit page\", a opensource & a NGO as well. Best Regaards Jörg Hensel ; :-P
