

EraEriksson

Era Eriksson

My typical Wiki profile is edit the entire site, then disappear for months, then reappear again in amazement over what you've done with my magnificent edits.

Good thing I don't come here more often.

Otherwise, I used to have a home page at <http://www.iki.fi/era/> but it's pretty stale now. At least you can find some semblance of a current email address there, if you look closely.

"We Apologize For The Inconvenience."
