

OpenInfraIssues

This page lists the currently-active issues open with the ASF infrastructure team (via <https://issues.apache.org/jira/secure/BrowseProject.jspx>).

- <https://issues.apache.org/jira/browse/INFRA-1106> - robots.txt on wiki.apache.org blocks Google (again): now closed. We may need to come up with some way to "mirror" the contents of the wiki to a Google-accessible location, if there's another regression on this
