Use this page to put up a public notice of your thanks to the Spamassassin team.

---

Hi guys. Just wanted to express how much I appreciate Spamassassin. When I compare my *life* to last year, I can't believe how much time I spent sorting through and deleting spams. Much obliged to say the least.

A big thank you from us at [eDIY Web Hosting and Design](#) for creating this awesomely effective spam filter, it catches most spam and hardly any false positives. We really appreciate your work! Regards, Mike.

---

My mail hosting provider is using it - hope it will become better! 😊 thank you for it!

---

A big thank you from an individual user. I'm running SA on my personal mail server, and it's great. Thanks a lot!
