## William Stearns

Email: wstearns /at/ pobox dot com

Bill takes a side role in the Spamassassin project by working on the <http://www.sa-blacklist.stearns.org/sa-blacklist/> project, now a part of Spamassassin 3.0 as the WS SURBL. He also wrote a Spamassassin install document, found at <http://www.stearns.org/doc/spamassassin-setup.current.html> .
