

Conferences

Events and Conferences

There is a lot of interest in Hadoop, in the academic as well as the open source and business communities, which makes for a busy conference schedule.

Key Events and groups

- [HadoopUserGroups](#) (HUGs)
- [ApacheCon](#) - Main get-togethers for developers of all Apache projects, not just Hadoop-related. Frequently also include code hackathons.
- [Berlin Buzzwords](#)

Developer Workshops

These are get togethers with laptops and coding involved, either in a physical location, or online. Feel free to organize any!

- [Hadoop Contributors Meeting, May 6, 2010](#) Release planning meeting
- [Bristol Hadoop Workshop Spring 2010](#) A workshop held at HP Laboratories, Bristol in March 2010
- [Testing Conference call](#): A skype call held on November 23, 2009
- [Bristol Hadoop Workshop 2009](#) A workshop held at Bristol University in August 2009
- [Developer Offsite, June 12, 2010](#) A meeting for Hadoop developers held after the 2009 Hadoop Summit
