

FrapprPortlet

The discovery of Web 2.0 service Frappr is interesting. A portlet with this data would be cool.

Check out Frappr <http://www.frappr.com>

```
<script>
var frappr_mapheight = 300;
var frappr_mapwidth = 300;
var frappr_maplat = 48.86;
var frappr_maplon = 2.34;
var frappr_mapzoom = 13;
var frappr_host = "http://www.frappr.com/";var gid = 643734;</script>
<script src="http://www.frappr.com/ajax/mapwidget.js"></script>
```
