Discussions

- discussion to add a second [MyFaces](#) member to the [JavaServer](#) Faces Expert Group (JSR 314). No response from Ed Burns (spec lead) so far.
- Longer vote was done to replace the used logging; Not the entire [MyFaces](#) community agrees to force all subproject to use the same logger tool. Vote was stopped; More to come...
- SVN structure change for [MyFaces](#) CORE has been approved. The SVN change hasn't been done yet. The community also expressed interest in having a GIT mirror.
- [MyFaces](#) 2.0 is still getting more attention. The new committers are active in this area; Contributions (mailing list / JIRA) are coming in from the wider community as well
