TapestryTeam

The Tapestry Team

This page is outdated. Current information is at http://tapestry.apache.org/about.html

- HowardLewisShip the creator of Tapestry (way, way back in January 2000) and the author of TapestryInAction.
- ErikHatcher - consultant, writer, speaker. He often speaks on the NoFluffJustStuffSymposiums circuit, where he speaks on Tapestry and other topics.
- GeoffLongman the creator of Spindle an Eclipse plug-in for building Tapestry applications.
