Pig Talks and Papers

This page contains links and attachments for talks, papers, presentations, etc. given by Pig team members.

Pig Talks

- [2009 Pig overview talk](#)
- [Pig Latin talk at SIGMOD 2008](#)
- [30-minute talk given at 2008 Hadoop Summit](#)
- [60-minute talk given at universities in early 2008: \[video\]\(#\); \[slides\]\(#\)](#)
- [Pig: Making Hadoop Easy, talk at ApacheCon US 2008](#)
- [Pig talk given at 2009 Hadoop Summit](#)
- [Pig usage at Twitter, a presentation from NoSQL East](#)
- [Pig talk for Pittsburgh HUG: intro, explanation of joins, research ideas](#)
- [Pig talk at ApacheCon US 2009](#)
- [Slides from talk on pig performance optimizations at ApacheCon US 2010](#)
- [Screencast introduction to Pig](#)
- [Slides from talk given at Amazon's Seattle Hadoop Day, August 2010](#)
- [Slides from talk given at India Hadoop Summit, February 2011](#)
- [Pig usage at Salesforce.com - talk at Cloudforce 2012](#)
- [Slides on paper that is basis of pig illustrate feature](#)
- [Introduction to Pig given at Warsaw HUG \(motivation for Pig, PigLatin statements, PigLatin code that processes real-world data set from Last.fm and many pictures\)](#)

Pig Papers

- [IEEE Data Bulletin paper - Apache Pig's Optimizer](#)
- [Pig paper at SIGMOD 2009 - Generating Example Data for Dataflow Programs. \(Basis of illustrate feature\)](#)
- [Pig paper at VLDB 2009- Building a HighLevel Dataflow System on top of MapReduce: The Pig Experience, slides from the associated talk](#)
- [Pig Latin paper at SIGMOD 2008](#)
- [Pig optimization paper at USENIX 2008](#)

Pig Media

- [Pig poster at USENIX 2008](#)
- [An interview with one of Yahoo's most prominent Pig users, including his take on Pig Latin vs. SQL](#)

Contributor Workshops

- [June 2010 slides](#)

Articles, Blogs, etc

- [PigStorage options - Schema and Source tagging](#)
