

PoliciesAndProcedures

Policies and Procedures

This page exists to start collecting references to all policy and procedure type pages throughout the ASF Infrastructure. Remember that each project probably does things slightly differently - look around, get ideas, develop your own project procedures.

Major repositories

(placeholder for now; re-index below)

- [Apache Incubator incubation policy](#)
- [Apache Development Information](#)
- [Apache Jakarta Guidelines](#)
- [Apache Jakarta Guides](#)
- [Apache Jakarta Newbie Pages](#)
