

NonApacheConEvents

Events with ASF representation

This page shall list non-ApacheCon events where the ASF represented either officially or informally by a group of ASF committers.

BarCamp Apache Oxford

BarCamp Apache Oxford, April 4/5, Oxford, UK

BarCamps are an ad-hoc gathering born from the desire for people to share and learn in an open environment. It is an intense event with discussions, demos and interaction from participants who are the main actors of the event.
