Dailey's Restaurant

<http://www.daileysrestaurant.com/> is a half block away to the east on International Blvd. Very nice service and food; small menu but very tasty stuff. Prices ranged from \$20 for the chicken entree to \$36 for filet; includes on vegetarian dish and several fish dishes. Desserts are innovative and **huge** servings.

Dante's Down the Hatch

Great Fondue Restaurant & with a wonderful Jazz Band each night. It's a little pricey ~ \$25 a plate, but worth it!

The owner is a famous crocodile breeder and he has a "ship" inside the restaurant. The jazz band plays inside the ship ... it's usually between \$7 & \$10 to sit in the ship where the band plays. Outside of the ship's perimeter are actual crocodiles in a moat sort of area. Very Cool.
