Page to coordinate car pools (or shared taxis) for [ApacheCon](#) US 2007. Even better - go to the Ground Transportation area and take [MARTA](#), any train, to the Peachtree Center station. Be sure to keep your Breeze ticket with you when exiting the rail station. The hotel is across the street and to the left from the rail station. Note that the obvious hotel entrance (closest to the station) is closed after 11PM; you'll have to walk around the Westin to the main entrance at night.
