Page Summary

- TARGET-AUDIENCE: ***anybody***
- COCOON-RELEASES: n/a
- DOCUMENT-STATUS: ***reviewed***

Note

Currently, I have moved away from Cocoon. Although there are many things that I absolutely love about it, it is not entirely what I need right now.

I hope to be back some day.

My congratulations to all those who continue to build the community. I apologize for starting some wiki pages and just leaving them hanging.

What you will get from this page

Just a short presentation of 'lil 'ol me.

Links to other information sources

- ExtremeDocumentationOverhaul
- CFormsMinimalExamples

Main Content

Overview of David Leangen

- Background in electrical engineering
- Lives in Japan
- Speaks English, French, Japanese
- Mostly involved in business
- Developing a system in bioinformatics field

Relationship with Cocoon

Proposed an ExtremeDocumentationOverhaul.

Toying around with a series of CFormsMinimalExamples.

(Don't expect too much, though! 😉)
