

KeithMarais

I am a 32 year old programmer from Cape Town, South Africa. My area of focus has been on Mozilla XUL though looking to get involved in Cocoon development.

I enjoy travelling abroad, especially India and Europe. If you interested in staying here you can check out - just look at some of the pics to see what I mean. We are so lucky to live in one of the most beautiful cities in the world.

- [cape town property rentals](#)

What else? My staple diet is

- <http://www.slashdot.org>
- <http://www.kuro5hin>

Hmm, oh yeah also am a big fly fishing fan, and sometimes go up the east coast on weekends.

catch me on keithmarais@fastmail.fm
