Manfred

My name is Manfred, and I am working with Cocoon for three years now.

I'm also on ${\tt cocon-users}$ and ${\tt cocoon-dev}$ lists.

I am employed at Raiffeisen Zentralbank in Vienna/Austria as a software Engineer.

We did some extensions to the new portal for application integration. A sample and documentation in english and german is available.

My mobile: 0043 676 86061 3532

see you on the lists!
