## Stephan Michels

I'm got the committer status since mid 2001.

Since then I commit several blocks like the Chaperon, Slide.

In following projects I'm involved in

- [Chaperon](#) - Transforms structured text into XML
- [JEuclid](#) - Displays mathematical content
- [Apache Slide](#) - A bridge between Slide and Cocoon

I currently working within a german e-learning project in Berlin/Germany.
