

ThomasStahl

My name is *Thomas Stahl*, I'm from Frankfurt in Germany.

We (my employer and me) use Cocoon since 2001 for the company website www.vfst.de.

About me

- Application development for 15 years
- Languages C, C++, Java, Fortran, PL/1, Perl, Python, ...
- Electronic publishing since 3 years
- XML, XSLT, XSL-FO, ... (everything with an X)
- Creator and webmaster of www.playchess.de, one of the major websites for [online chess](#). I must admit that this is done with Perl/CGI.
