

VadimGritsenko

I'm a Cocoon hacker. When I'm not hacking Cocoon, I'm either asleep or doing some consulting gig. See more information on the [Vadim @ Apache](#) page, or visit [Vadim's Log](#).

In good old days, when I had a lot of time on my hands, I used to help users, and that's how I got [Lord of the Users](#) title.

You can contact me at ICQ#26403439 (Get [IM Client](#)). But [beware](#).
