

TestProxy

(08:29:48 PM) nettings: a) are the proxy and context fixes working for others as well (using tomcat or jetty6), and (08:30:02 PM) nettings: b) are there no regressions with standard jetty.

nettings: to create a proxy setup for testing, please take a look at `src/tools/proxytest/README` for setup instructions. specifically, kupu and bxe need testing.
