

ArhitSuriyawongkul

Arhit Suriyawongkul

Interest in Harmony

- internationalization, localization, multilingual support

Interest in Java in general

- Use it for desktop search application (i.e. Beagle-like but in Java, and, if possible, not GNOME specific)
- Natural language applications/components (e.g. spelling checker, grammar checker, text summarizer)

Personal websites

- <http://bact.blogspot.com/> (blog)
- <http://siit.net/members/art/>
