Alistair McDonald.

IT consultant living in the UK. Experienced C++ and Perl developer (plus lots of other stuff too). Helped to develop anti-spam products and services for [InRevo Ltd](#) and then wrote up his experience: [BooksAboutSpamAssassin](#).

If you want to get hold of me, email me at [spamassassin@inrevo.com](mailto:spamassassin@inrevo.com) (I'm not afraid of spam; I use the best open-source tool to protect me)
