Available For Purchase...

- [Directly from Packt](#)
- [From Amazon](#)

A portion of proceeds are donated to the ASF.

The authors have a website for the book at <http://www.solrenterprisesearchserver.com/> where you can download the software developed for the book. They will provide information relating the book's content to changes in Solr releases after 3.4, and book errata when errors are uncovered. Links and code related to the first edition is also available there.
