

# BoardReport-November2010

## November 2010 Board Report

### **Status**

Another quiet quarter in Velocity land.

The Velocity project currently has no board-level issues at this time.

### **Community changes**

Antonio Petrelli was voted onto the Velocity PMC.

The Velocity PMC has voted to change the chair from Henning Schmiedehausen to Nathan Bubna.

### **General Project news**

Some fixes to the Velocity site build enable building the site off-line and outside the Velocity zone.

### **Velocity Engine project**

Reorganization and bug-fixing of the engine code continues. We expect to release the last version of the 1.x code base soon and then switch to 2.x
