

UISelectMany

Using checkboxes

```
<h:selectManyCheckbox id="mySelectBox" value="#{managedBean.selectedValues}">
<f:selectItems value="#{managedBean.valuesList}" />
</h:selectManyCheckbox>
```

Using a select list of size 1

```
<h:selectManyMenu id="mySelectBox" value="#{managedBean.selectedValues}">
<f:selectItems value="#{managedBean.valuesList}" />
</h:selectManyMenu>
```

Using a select list with some height

```
<h:selectManyListbox id="mySelectBox" value="#{managedBean.selectedValues}">
<f:selectItems value="#{managedBean.valuesList}" />
</h:selectManyListbox>
```
