

MailingListArchives

Mbox archives available here:

- http://mail-archives.apache.org/mod_mbox/lucene-java-user/
- http://mail-archives.apache.org/mod_mbox/lucene-general/
- http://mail-archives.apache.org/mod_mbox/lucene-dev/

The following third parties provide archives for the java-user and java-dev mailing lists:

1. <http://www.lucidimagination.com/search> - Search the Lucene ecosystem: Lucene, Solr, Nutch, etc. including mail archives, website, wiki and JIRA. Powered by Solr.
2. <http://search-lucene.com/> - Search-Lucene (SL for short) aggregates, indexes, and makes searchable all content repositories for all Apache Lucene Top Level Project (TLP) sub-projects. Powered by Solr.
3. <http://www.gossamer-threads.com/lists/lucene/java-user/> and <http://www.gossamer-threads.com/lists/lucene/java-dev/>
4. <http://lucene.472066.n3.nabble.com/Lucene-Java-f532863.html> (<http://lucene.472066.n3.nabble.com/Lucene-Java-Users-f532864.html> and <http://lucene.472066.n3.nabble.com/Lucene-Java-Developer-f564358.html>)
5. <http://lucene.markmail.org/>

Please note the inclusion of a link to an archive does not imply an endorsement of that company by any of the committers of Lucene, the Lucene PMC or the Apache Software Foundation. Each archive owner is solely responsible for the contents and availability of their archive. The official Apache provided archive is available at http://mail-archives.apache.org/mod_mbox/lucene-java-user/ and http://mail-archives.apache.org/mod_mbox/lucene-java-dev/
