

Apache Geronimo v1.1 - Instrukcja użytkownika

This page is an attempt to organize and consolidate all the documentation for Apache Geronimo v1.1. There is a list of topics to be covered and the discussion about the content is being carried on the developers mailing list dev@geronimo.apache.org, for subscription information refer to the [Mailing Lists](#) at the Apache Geronimo Web site.

The following is a proposed table of contents to address as many topics as possible on Apache Geronimo. This structure should be the foundation for upcoming releases of Geronimo. This is a work in progress and collaboratively constructed through the Apache Geronimo community, **your contributions to this documentation are welcome**, this is a community effort.
