Security Day EU 2024

Overview

This is a one day, invitation only, security event. All Tomcat committers are invited. The purpose is to improve Tomcat security.

The event is being funded by Google who generously provided $5k to the Tomcat project to help improve security. All attendees will have one night's accommodation paid for at the CoC hotel. Include the additional night when making your reservation for CoC EU and markt will pay one night's accommodation at some point during CoC EU using the ASF credit card that has been created and linked to the $5k from Google.

Administration

Thursday 6th June 2024 (the data after CoC EU),

09.00-17.00

Venue: Atrium Lounge, Roset Hotel & Residence, Štúrova, Bratislava, Slovakia

Bratislava

Agenda

- general discussion to identify areas where we may be able to improve things
- review past CVEs to identify general patterns that may apply elsewhere in the Tomcat code base
- split into groups based interest/experience and review the code
- work on fixes to any potential improvements found

Attendees

If there is anyone else you would like to invite, please start a discussion on the private@ mailing list.
