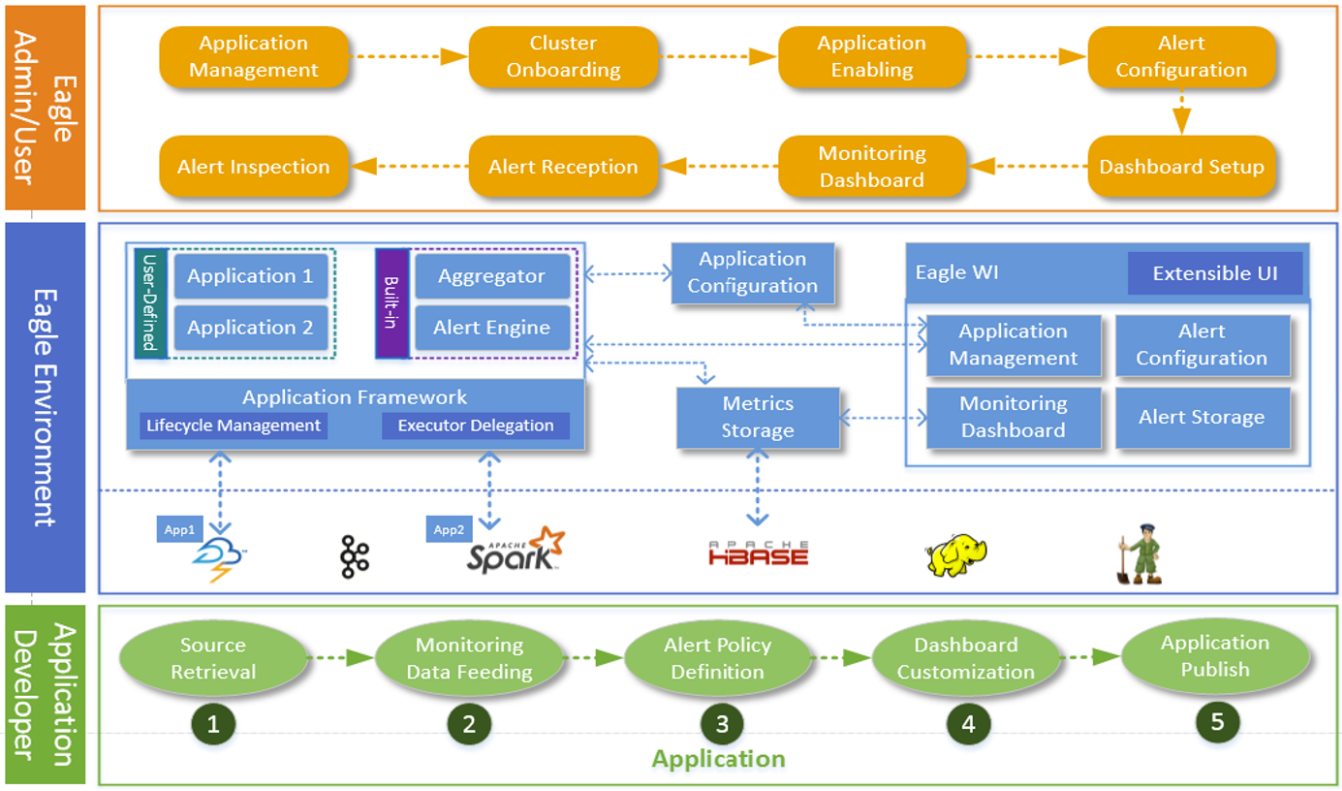
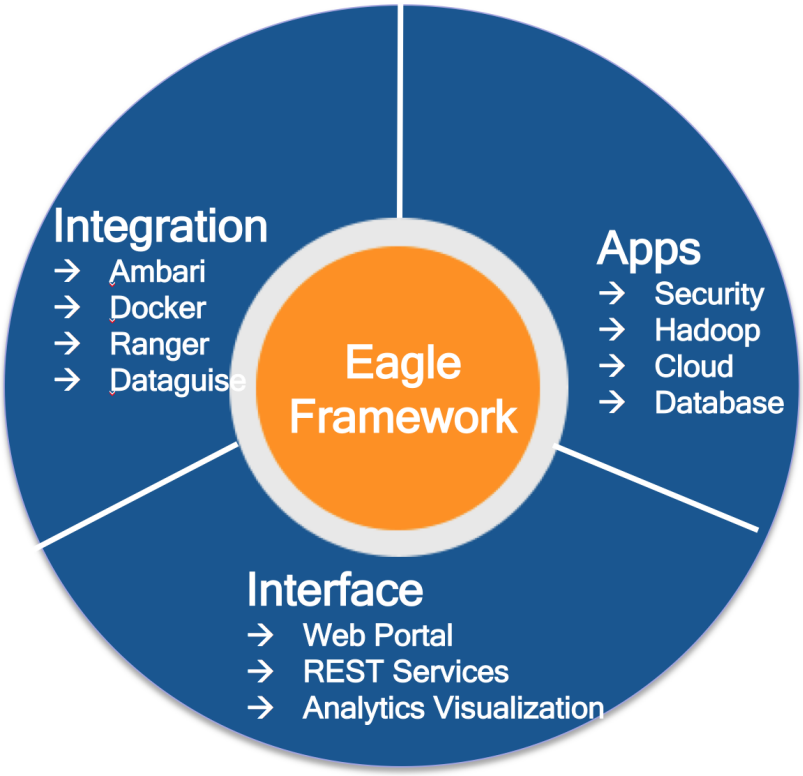
Eagle Architecture



Eagle Ecosystem



Eagle Framework

Distributed real-time framework for efficiently developing highly scalable monitoring applications

Eagle Alert Engine

For more details, see Alert Engine

Eagle Storage Engine

For more details, see Metric Storage

Eagle Application Framework

For more details, see Application Framework

Eagle UI Framework

For more details, see UI Framework

Eagle Apps

Security/ Hadoop/ Operational Intelligence / …. For see more applications, see Applications

Eagle Interface

REST Service / Management UI / Customizable Analytics Visualization

Eagle Integration

Ambari / Docker / Ranger / Dataguise
